# ORGANISERS

ICC FraudNet is a worldwide network of leading lawyers who specialise in international asset tracing and recovery. ICC FraudNet's membership extends to every continent and the world's major economies, as well as leading offshore wealth havens that have complex bank secrecy laws and institutions where the proceeds of fraud often are hidden.

Founded in 2004 by the Paris-based International Chamber of Commerce (ICC), the world's business organisation, FraudNet operates under the auspices of the ICC's London-based Commercial Crime Services unit.

---

The Spanish Committee of the International Chamber of Commerce (ICC) brings together the Spanish members of the ICC to convey their concerns and proposals to the international headquarters in Paris. It was founded in 1922 and, according to its statutes, it is an association of which companies, Chambers of Commerce along with business and professional associations can be a member.
